2012 PRICE LIST FOR CORPORATE & PORTRAIT PHOTOGRAPHY

HEADSHOTS Are you using LinkedIn, Facebook or Twitter for business? Is your profile picture projecting the right image?

Basic Headshot (\$250 + HST)

A standard head-and-shoulders portrait, shot at our studio. Photo session lasts about 20 minutes and includes one pose, edited (touched up), rendered in colour and black-and-white.

Deluxe Headshot (\$400 + HST)

A more creative and artistic option than the Basic Headshot. Professionals who desire a unique and personal photoshoot; particularly models, actors and creative types. A 2-hour photo session shot on location or in our studio. Several poses and angles, and a wardrobe change if desired. Digital files included, editing (touching up) on 2 of your favorites.

Basic Headshot Marathon (\$150 + HST per head, minimum 10 heads)

An ideal arrangement for groups of busy executives, the Marathon is a series of back-to-back Basic Headshot sessions, done at our studio or on location at your place of work (we set up a portable studio in your conference room, or spare office space). One location, minimum 10 heads per day.

PORTRAITS

Family, Maternity, Baby (\$400 + HST)

A 2-hour session shot on location or at our studio. Digital files included, editing (touching up) on up to 10 of your favorites. Gift certificates are available. Makes a great personal or corporate gift.

Bump & Baby Series

Babies change so quickly, so in order to chronicle your little human's evolution, consider booking a series of portrait sessions. Each session is 2 hours long, shot on location or at our studio. Digital files included, editing (touching up) on up to 10 of your favorites. Gift certificates are available. Makes a great personal or corporate gift.
